PLEASE NOTE:

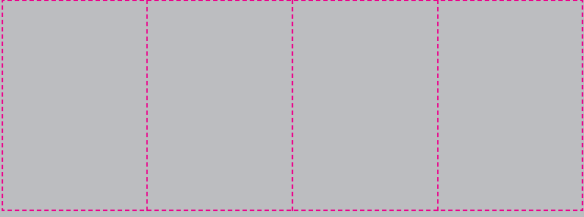

- Please put your artwork in the gray area only. Allow a 1/8" white border around the whole layout. We cannot do bleeds (full color fill).
- The eyemark is required. This allows us to achieve the proper magnet size.
- The magenta perforations below are just a guideline which signifies the location of our punch-out coupons.

This layout shows a gray rectangular area with a white border. At the bottom, there are three rectangular punch-out coupons defined by dashed magenta lines. A small black vertical mark is centered at the bottom edge of the gray area.

PLEASE NOTE:

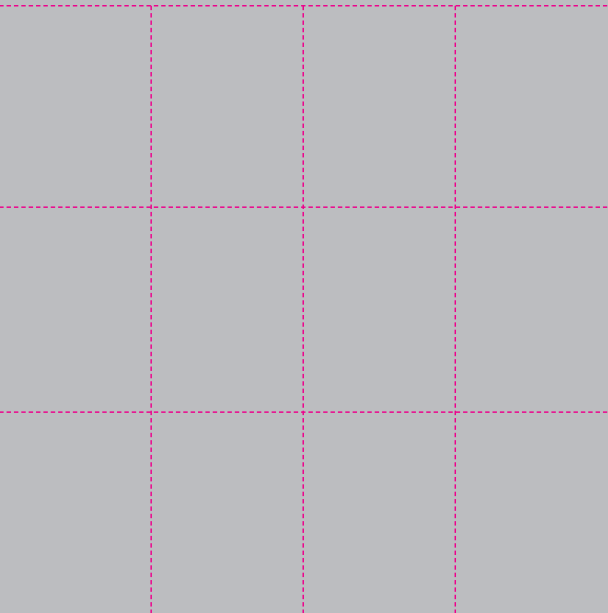

- Please put your artwork in the gray area only. Allow a 1/8" white border around the whole layout. We cannot do bleeds (full color fill).
- The eyemark is required. This allows us to achieve the proper magnet size.
- The magenta perforations below are just a guideline which signifies the location of our punch-out coupons.

This layout shows a gray rectangular area with a white border. At the bottom, there are four rectangular punch-out coupons defined by dashed magenta lines. A small black vertical mark is centered at the bottom edge of the gray area.

PLEASE NOTE:

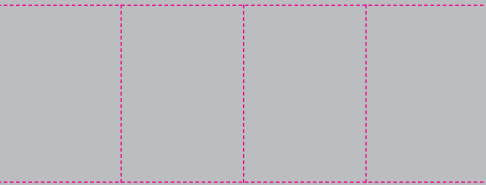

- Please put your artwork in the gray area only. Allow a 1/8" white border around the whole layout. We cannot do bleeds (full color fill).
- The eyemark is required. This allows us to achieve the proper magnet size.
- The magenta perforations below are just a guideline which signifies the location of our punch-out coupons.

This layout shows a gray rectangular area with a white border. The bottom portion of the gray area is divided into a 3x3 grid of nine rectangular punch-out coupons by dashed magenta lines. A small black vertical mark is centered at the bottom edge of the gray area.

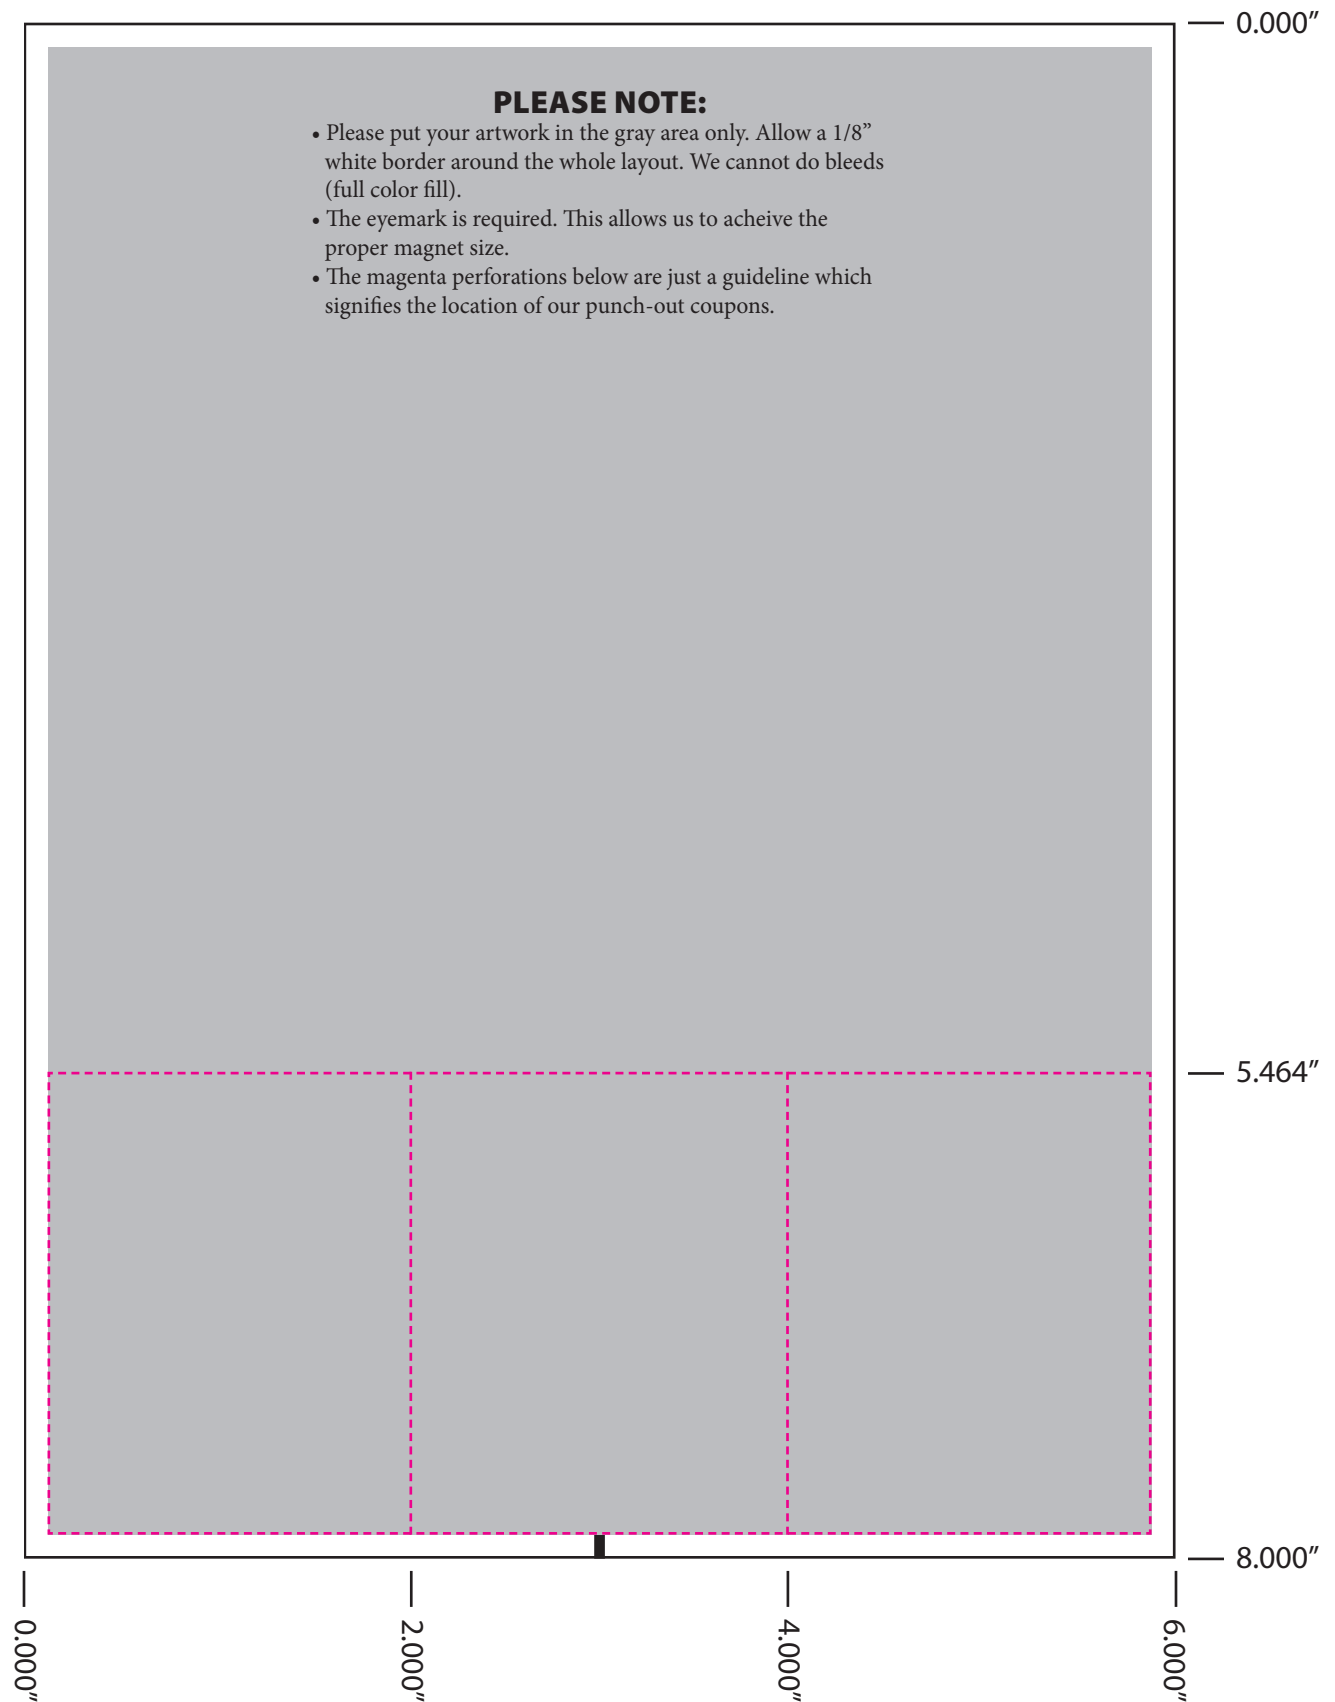

PLEASE NOTE:

- Please put your artwork in the gray area only. We cannot do bleeds (full color fill).
- The eyemark is required. This allows us to achieve the proper magnet size.
- The magenta perforations below are just a guideline which signifies the location of our punch-out coupons.
- Please feel free to remove the "Coupon Guides" and "Notes" Layers. These are not needed in the final print.
- The "Frame" layer is used as a guide, but will not be printed.

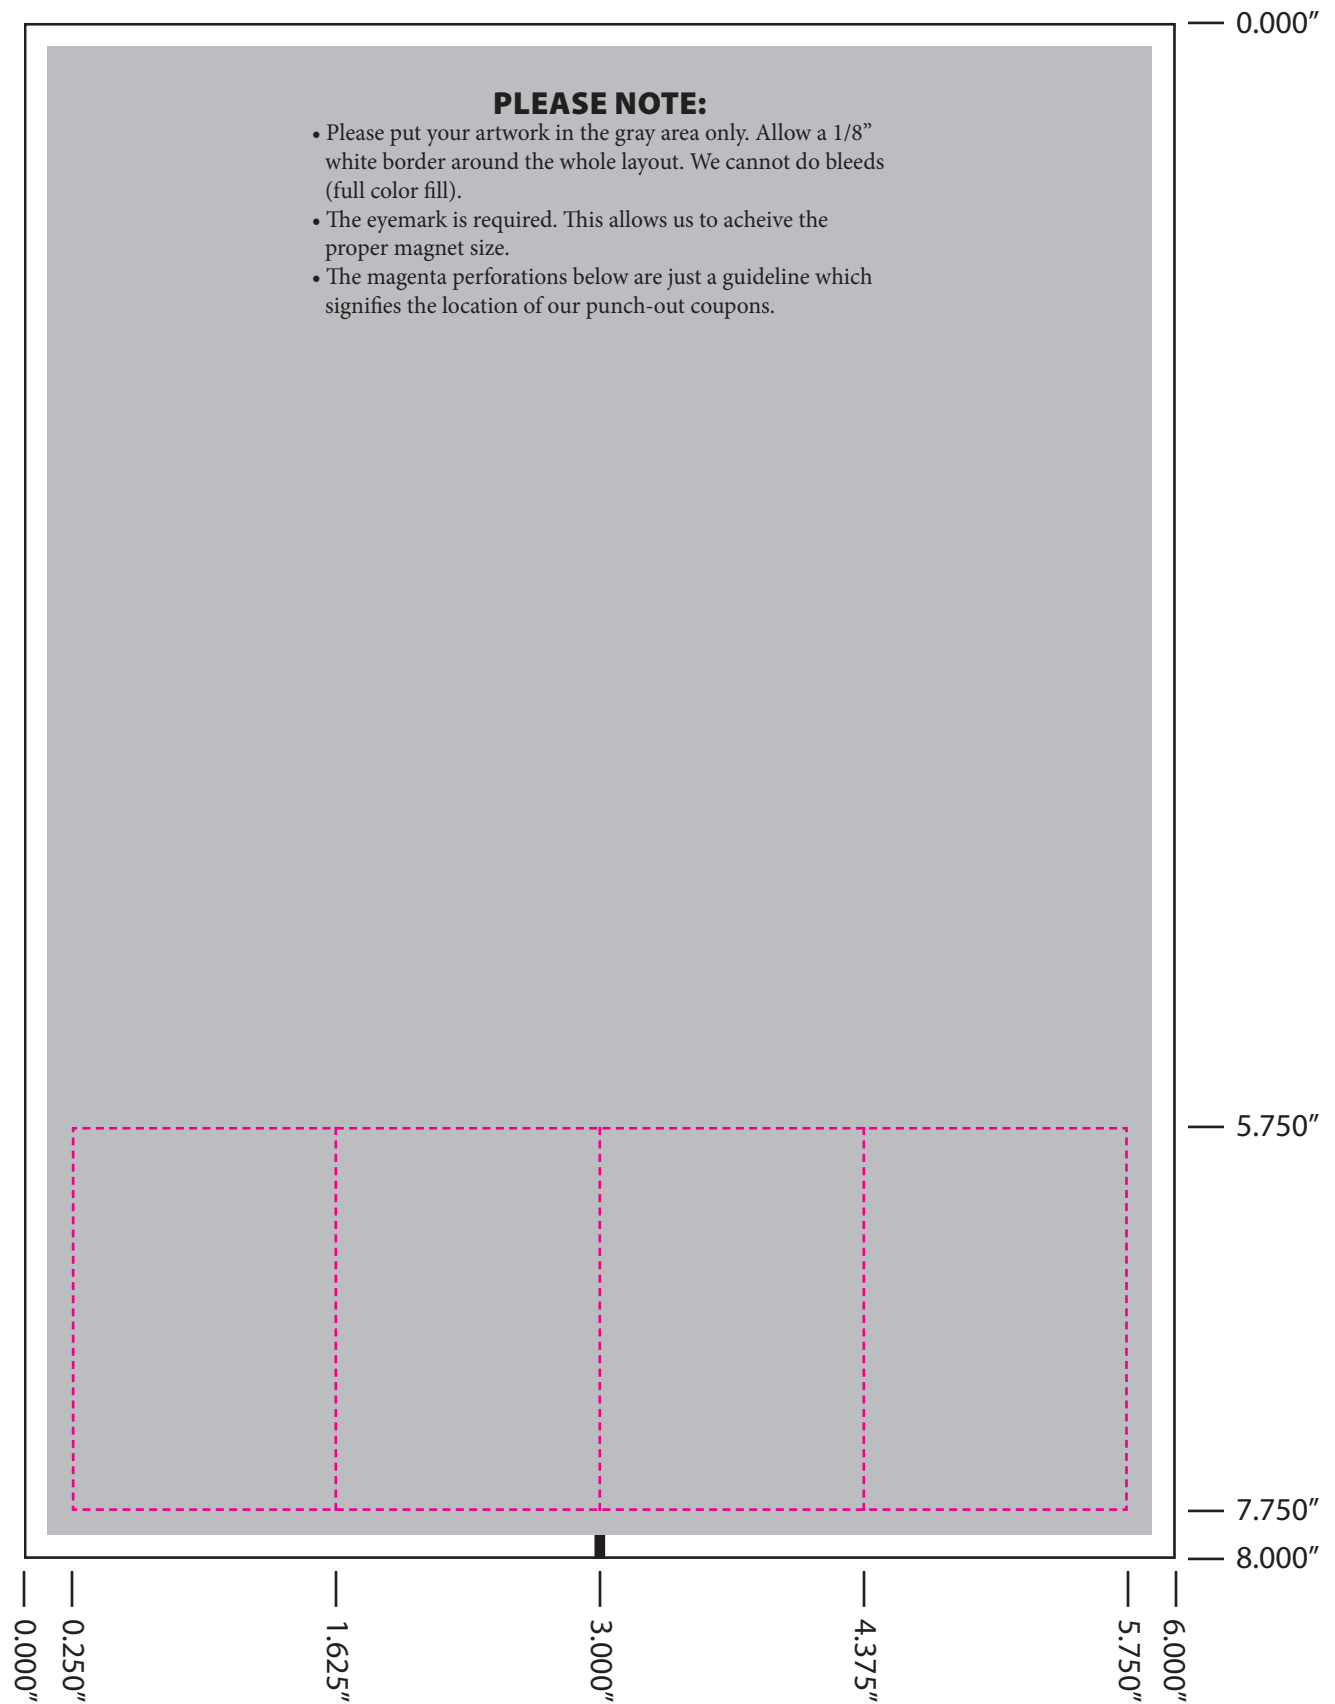

This layout shows a gray rectangular area with a white border. At the bottom, there are four rectangular punch-out coupons defined by dashed magenta lines. A small black vertical mark is centered at the bottom edge of the gray area.
