PLEASE NOTE:

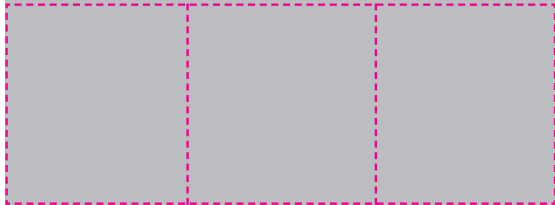

- Please put your artwork in the gray area only. Allow a 1/8" white border around the whole layout. We cannot do bleeds (full color fill).
- The eyemark is required. This allows us to achieve the proper magnet size.
- The magenta perforations below are just a guideline which signifies the location of our punch-out coupons.

The diagram shows a gray rectangular area representing the magnet. At the bottom, there are two rectangular punch-out coupons outlined with dashed magenta lines. A small black vertical bar is centered at the bottom edge of the gray area.
